

AAIM 121st Annual Meeting

Saturday October 13 – Thursday October 18, 2012

Hilton La Jolla Torrey Pines | La Jolla, California

Be inspired by one of the most exceptional settings in Southern California. Atop the bluffs of La Jolla, overlooking the legendary Torrey Pines Golf Course and the majestic Pacific Ocean, the newly-renovated Hilton La Jolla Torrey Pines Hotel is a short 12-minute drive from the San Diego International Airport and from downtown San Diego. The Scientific Sessions will provide presentations on current topics of interest to the insurance medicine community and there will of course be an exciting social program too.

A Triennial-style meeting for both **new** and **experienced** medical directors and senior underwriters.

Look for a combination of cutting edge academic presentations, the latest updates on important topics, and stimulating workshops covering the core body of knowledge, including the interesting twists we see every day!
